SEPTEMBER 8, 2009**

**PRESENT: Don Burke, Janet Brown, Rob Gordon**

**GUEST: Judy Rogers**

**Meeting called to order @5:02pm.**

The August minutes were read and accepted by all.

Don Burke will talk to Andy Spielberger about the Don Philbrick Cemetery stone wall that needs to be redone. The State of NH Department of Transportation has expressed concern about the full collapse of wall onto Rt. 77. We would be liable. Don will also ask about bringing a rock wall around corner of Collins Cemetery to finish that off.

The Cemetery Trustees will also ask Cutting Blade to weed whack the front part of that cemetery to the corner.

Don Burke will be working with the inmates planting lilac bushes at Johnson, East Weare Center Square Pine Grove on Wednesday.

Meeting adjourned at 5:50p.m.

Respectfully submitted,

Janet Brown  
Secretary
